Clemson University Cooperative Extension Service offers its programs to people of all ages, regardless of race, color, gender, religion, national origin, disability, political beliefs, sexual orientation, marital or family status and is an equal opportunity employer.

If you are the teenager of a military service member and are thinking about attending college after high school, then come to Operation:

Military Kid's overnight College Campus Visit on April 9th and 10th.

We will be touring Presbyterian College and Clemson University in South Carolina. After staying the night in Clemson's Outdoor Lab, we will have a fun and informative photography class. Come with us on this overnight trip!
